About Us

Carbon Brush Company Private Limited, known as CBC is an Indian company specialized in manufacturing carbon brushes. Our manufacturing experience spans 40 years, which has helped us to gain a lot of technical expertise. CBC works very closely with our customers to deliver products tailored to their needs. This has helped us to develop a strong customer base with manufacturers of original equipment. We have customers in every industry segment.

Our array is available at highly reasonable prices for the ease of buyers. We keep their satisfaction above our profit or business. Our existence as a manufacturer and exporter in the domain is from them and for them, and we highly value this fact. Therefore, we put in all the efforts to bring-forth to them excellent products and service in return of their investment. Our personnel stay focused while processing the orders, from making of items to their shipment. Hence, we never make mistakes which helps in ensuring smooth trade with clients.
